Groovebox

Elektron Octatrack MKI

88 parameters · 12 sections · plain CC, no NRPN · transcribed from the maker's manual

Channels

The first eight groups listen on the audio track's own TRIG channel, or on the AUTO channel for whichever track is active. The groups marked **AUTO ch** are MIDI track parameters. They only answer on the AUTO channel, in MIDI mode, with CC DIRECT CONNECT off.

Numbered slots

Playback 1 to 6 are CC 16 to 21 and follow the machine on the track. The two effects take CC 34 to 39 and CC 40 to 45 and follow the effect you loaded.
